**Totalt 2 individer av 2 arter.**

Ringmärkare: KWL, GFL

ÖVRIGA OBSERVATIONER:

**Udden:**

Lärkfalk 1 ad (KWL)

DIVERSE:

One of the headstarted Southern Dunlins was seen departing the island with a flock of other Dunlin, and later photographed at Falsterbo!

Gustav caught 2 birds for his guiding, Linnet and Barn Swallow. Later for dinner the Obs was invited by Birdlife to have a BBQ in Sebybadet. Good migration of Dunlin during the BBQ hopefully a sign of things to come.
